

Dear Families,

Our homework assignments will be sent via e-mail the first of each month. The assignments that we have created come from skills and concepts that have been covered at school that need to be reinforced at home. Please initial each box as your student completes the assignment. *Turn in the completed and signed calendar at the end of each month.*

*In addition to these homework assignments, we encourage you to read with your child daily as this will help your student become a fluent reader. There will also be a letter/sound and word wall word sign off sheet coming soon. Please practice identifying the letters/sounds and word wall words before the due date.*

Here are some suggestions on how to organize the homework assignments and how it works:

- ✓ Please keep the assignments/attachments at home and return only the monthly calendar with your initials at the end of the month.
- ✓ Please keep, complete, and date assignments in a spiral notebook.

If you have further questions about homework, please contact your child's teacher.

-The Drabek Kindergarten Team
