

Dear Parents,

The DRA, or developmental reading assessment, is a reading test that we give to your student three times throughout the year in Kindergarten. In Kindergarten, we would like for our students to be reading on a level 6 by the end of the year. Please help us reach our goal by reading with your child daily. Below, you will find examples of leveled books. You can also go online to this website: <http://bookwizard.scholastic.com/tbw/homePage.do> and plug in the titles of any books you may have at home. This website will tell you what DRA level these books are. Please let us know if you have any further questions and thank you for your support at home!
